

**STATEMENT OF WORK  
Prescribed Grazing (528)  
Wyoming**

**These deliverables apply to this individual practice. For other planned practice deliverables refer to those specific Statements of Work**

---

**DESIGN****Deliverables:**

1. Design documents that demonstrate criteria in practice standard have been met and are compatible with planned and applied practices
  - a. Practice purpose(s) as identified in the conservation plan.
  - b. List of facilitating practices
  - c. Practice standard criteria-related inventories and analyses to develop grazing management plans including but not limited to:
    - i. Resource and forage inventories
    - ii. Forage-animal balance
    - iii. Grazing Plans
    - iv. Drought Plan
2. Written plans and specifications including sketches and drawings shall be provided to the client that adequately describes the requirements to install the practice and obtain necessary permits. A map, either electronic or hard copy, will accompany the grazing schedule which shows the location of boundary and interior fences, water developments, grazing unit acreages, rangeland ecological sites and similarity indices (conditions).
3. Identify fields where practice to be applied on a farm or ranch plan map.
4. Specification sheet provided to the client that adequately describes the requirements to apply the practice.
5. Operation and maintenance plan
6. Certification that the Grazing Management Plan meets practice standard criteria and comply with applicable laws and regulations
7. Design modifications during installation as required
8. Wyoming ECS Forms 1, 2, 3, 20, 23, 26 and 414, or equivalent, are applicable.

---

**INSTALLATION****Deliverables**

1. Pre-application conference with client
2. Verification that client has obtained required permits
3. Application assistance
4. Facilitate and implement required design modifications with client and original designer
5. Advise client/NRCS on compliance issues with all federal, state, tribal, and local laws, regulations and NRCS policies during implementation
6. Certification that the application process and materials meets grazing management plan and permit requirements

---

**CHECK OUT****Deliverables**

1. Records of application
  - a. Extent of practice units applied
  - b. Utilization check
2. Certification that the application meets NRCS standards and specifications and is in compliance with permits
3. Exit conference with client and contractor
4. Progress reporting
